NEWS RELEASE

Commodore to Build Out Brightcove's 82,000 SF Atlantic Wharf HQ

NEWTON, Mass. (November 14, 2011) – **Commodore Builders** announced today that it has been awarded the build-out of Brightcove's 82,000 SF headquarters on the waterfront in the heart of Boston's Innovation District.

Brightcove is a leading digital media firm and cloud content services company. Construction is slated to begin November 21, on the third and fourth floors of the Atlantic Wharf building, overlooking the Rose Kennedy Greenway and Fort Point Channel.

Brightcove's headquarters marks Commodore's third project at Boston Properties' Atlantic Wharf. The firm is currently building the new home of the BSA, located on the first and second floors, and recently completed construction of Payette's new office, located on the fifth floor of the mixed use complex.

Commodore is collaborating with Elkus Manfredi Architects, WB Engineers, and the Owner's Project Manager AEC Solutions to complete the build-out. Brightcove expects to move into their new space in March, 2012.

Commodore Builders provides clients with a wide range of construction management services, from project conception to pre-construction, execution, close-out and warranty service. Commodore's mission is to make the construction process easy for clients and the outcome excellence in execution.

Brightcove Inc, the cloud content services company, provides a family of products used to publish and distribute the world's professional digital media. Together, more than 3,000 customers in 50 countries rely on Brightcove's cloud content services to build and operate exceptional media experiences across PCs, smartphones, tablets and connected TVs.
