NEWS RELEASE

Commodore Completes 130,000 SF Renovations for Nutter McClennen & Fish LLP

NEWTON, Mass. (November 18, 2011) – **Commodore Builders**, a leading Boston-based construction firm, announced today completion of the 130,000 SF renovation of the Nutter McClennen & Fish headquarters in Boston’s booming Innovation District.

The firm’s decision to update and restructure their offices on the 4th – 7th floors of 155 Seaport Boulevard came after the firm re-signed their lease with Building Owner Pembroke Real Estate.

The revamped space consists of four floors of high-end offices, a full-service commercial kitchen with adjoining café, a reading room and flexible conference center with moveable partitions. The conference center, once facing the south, now occupies the entire north face of the building’s 5th floor, taking advantage of sweeping views of Boston Harbor and the city skyline.

Commodore Builders, CBT Architects, Vanderweil Engineers, and Owner Project Manager Dowling Houy collaborated to complete the occupied renovation. Donald Kondub, Executive Director at Nutter McClennen & Fish, said, “Commodore Builders presented us with a smart approach to construction. The team was able to complete the renovation in three phases, instead of the typical phase-per-floor approach, allowing us to fully occupy our space ahead of schedule.”

The completion of Nutter McClennen & Fish adds another project to Commodore’s growing portfolio of Boston Seaport renovations, including the new home of the BSA, Payette’s new headquarters at Atlantic Wharf, the completion of Fish & Richardson’s offices at One Marina Park Drive and the start of construction for Brightcove’s new offices at Atlantic Wharf.

Commodore Builders provides clients with a wide range of construction management services, from project conception to pre-construction, execution, close-out and warranty service. Commodore's mission is to make the construction process easy for clients and the outcome excellence in execution.

Nutter McClennen & Fish is one of the oldest and most distinguished commercial law firms in New England. Ranked among the top 250 firms in the country, by the *National Law Journal*, Nutter is a full-service firm serving a diverse clientele in the United States and abroad, including global corporations and a wide range of other businesses, major institutions, emerging companies and individuals, foundations and families.
